CARD 1

If you were able to choose the level of skill, intelligence, wealth and beauty you possessed, which of these selections would you choose and why?

CARD 8

Activity

All of these people are on a sinking ship. A small sailing boat has come to the rescue but it can only take two people or it will capsize. Which two people would you choose to save?

- What made you choose these people?
- What made you reject the others?
- Does everybody agree about who to save and who to reject?
- Were there any major disagreements?
- If you were on the sinking ship, how would you persuade rescuers to save you?
